TLoDaChamp and Tira D Release New Freestyle, “Top Ten”
“Top Ten” is the First Music Release from PROBLAKKK Entertainment in 2018

TLODACHAMP X TIRA D

February 12, 2018 (*Jackson, Miss.*) - After a short hiatus, PROBLAKKK Entertainment is officially back with a witty response to critics in their cover of Kodak Black’s “Roll In Peace.”

“Top Ten” is a fiery, braggadocious track from the duo inspired by friendly debate about the top artists in their hometown of Jackson, Mississippi.

“Jackson’s music scene has this thing where everyone likes to discuss which artists are the best in their opinion,” TLo explains. “Instead of participating in the debate and going back and forth about where we stand, we decided to show everyone.”

“Top Ten” marks the first recorded collaboration between TLoDaChamp and Tira D., both members of the PROBLAKKK Entertainment artist collective.
